Dear Parents

RE: NURSERY AFTERNOON FEES 2024/2025

We are looking forward to welcoming your child to North West in September. As you may be aware, for the past few years the Government has only provided Nursery funding for 15 hours per week, and we have had to charge a fee to parents for the other half of the Nursery provision. However, as you are probably aware, six years ago the Government introduced a new initiative to provide a means tested additional 15 hours of Nursery in the afternoon.

If you are eligible for the additional 15 hour provision

If you have received your eligibility code, you will be covered for a total of 30 hours of our nursery service for the year. As such, you will not be required to pay the full nursery afternoon fee of £6,000 per annum.

However, we provide more than 30 hours per week of nursery care. These additional hours will not be covered by the government's provision. We have calculated the charge for the extra nursery provision above 30 hours to be £600 in total, or £200 per term. We will deduct this charge against the deposit you have already paid.

If you require 30 hours per week of nursery care and do not require the additional hours we provide there will no extra of £600, this means the child will finish slightly earlier than our standard times.

As eligibility needs to be reconfirmed every 3 months, we will be staggering deposit refunds into 3 equal repayments each term [once eligibility has been confirmed].

If you are not eligible for the additional 15 hour provision

If parents are not eligible for the additional 15 hours or have not applied for the extra provision, they will need to fund the afternoon nursery provision themselves.

We note that you have contracted to pay the fees for the afternoon Nursery for the academic year 2023-2024. As previously notified, payment is £6,000 per child for the school year. Direct Debit is the simplest way to pay, but payment can be made in other ways too.

These payments are not a voluntary charitable contribution, but are a compulsory fee for the service the School is providing.

Payment is due on the first day of each term (unless you are paying by Standing Order or Child Care Vouchers). The fees paid for the afternoon Nursery provision include ICT, Art & Design, P.E, and Lunchtime supervision.

Please do not hesitate to contact me if you have any questions. We hope your child will be very happy at North West.
